# STARRY NIGHTS

By Jane Rozelle. Photography Bruno, Jason Janik, Jason Kindig, Mark Nelson.

We love a night out on the town, and these four benevolent galas gave good reason to take on the social whirl. First up was the Aging Mind Foundation Gala, which saluted one of our city's most influential couples, **Shirley and Robert Miller**, and benefitted the Center for Vital Longevity at UT Dallas. Next, we trotted to Texas Horse Park for the Equest 35th Anniversary Gala. Then it was off to hobnob with celebs in from Hollywood, as Earth Day Texas presented the inaugural Celebrities for Change Gala at Fair Park. Topping things off was the revived and reinvented Yellow Rose Gala, during which disco star **Gloria Gaynor** took the stage for a memorable performance benefitting multiple sclerosis research.

“WE TRIED TO RAISE  
**\$35,000**  
 IN 3.5 SECONDS

in honor of the 35th anniversary, and it only took a nanosecond for a very generous couple to raise a paddle.”

— Helena Wall, Equest Gala co-chair
