Barbecue, beer, and cocktails drew benevolent types to Katy Trail Ice House (the preferred party destination of PYTs) for the debut of the Aging Mind Foundation's Brews, Bites, & Brain Research event — a casual to-do complementing the organization's black-tie gala in the spring. To date, the nonprofit that was founded in 2013 by **Laree Hulshoff** and **Bill Booziotis** has raised more than \$1.2 million to fund brain research in North Texas. Seen: Co-chairs **Ashley Tatum** and **Carey Moen**, plus **Buddy Cramer**, **Shelle Sills**, **Michael Tregoning**, **Jo Marie Lilly**, **Elise** and **Daren Martin**, **Vivian Lombardi**, **Holly Forsythe**, and **Jenna Alexander**. *Sarah Habbas*

Toasting 10 years of celebrity chefs and young professionals raising money to fight cancer is a great reason to pop open some bubbly. At Young Texans Against Cancer's BubblyQ, an effervescent crowd on the patio of Fearing's at The Ritz-Carlton, Dallas, sampled dishes from some of Dallas' best restaurants,

including Abacus, Parigi, Nobu, and, of course, Fearing's, along with mixologist **Eddie "Lucky" Campbell**. Seen: Chef chair **Dean Fearing**; event chairs **Vodi Cook** and **James Carroll**; and guests **Mandy** and **Craig O'Neill**, **Garrett Holloway**, **Holly Turpin**, **Marjon Henderson**, **Tara Cash Versfelt**, **Sarah** and **Will Groves**, and **Catharine Flagg**. *Lisa Collins Shaddock*

An excuse to break out the Pendleton was just one reason to attend Friends of Wilkinson Center's annual Spirit of Taos fiesta, held this year at East Dallas beer garden, The Lot. Other highly motivating factors — a mariachi welcome; tacos, brisket sliders, and yucca fries; late-night dancing to Downtown Fever band; and helping Wilkinson Center assist families struggling to escape poverty. Seen: Co-chairs **AC Contreras**, **Laurann Cavenaghi**, **Meridith Myers Zidell**, and **Caitlin Morris Hyatt**; and guests **Kate** and **Will Walters**, **Lara** and **Jesse Smith**, **Ann Damele**, **Leslie** and **Bryan Diers**, and **Krystin** and **Nick Gerlach**. *Lisa Collins Shaddock*
